

VADEMECUM FOR THE ELECTOR

ELECTIONS OF THE COUNCIL OF THE INSTITUTE 2024/2027

The parent whose children attend classes at lower secondary, primary school and kindergarten, **votes only once.**

As **for the parent component,** each voter has to mark the chosen list and can also **express up to two choices** among candidates on the same list.

As **for the teaching component,** each voter can **express up to two preferences** after marking the chosen list.

As **for the ATA component,** each voter/elector can **express only one preference** in addition to marking the chosen list.

If you **express your preferences for candidates without marking the list, the vote also applies to the list of which the candidates are a part.**

If the **preferences expressed are more than two,** they will not be considered and only the list vote will be taken into account.

If **no preference is expressed for the candidates, but the list is marked, the vote counts as a list.**

A SPLIT VOTE IS NOT PERMITTED. Therefore, if **a list is marked and the preferences are expressed for candidates on another list, the preferences will not be valid and the vote of the marked list will prevail.**

Please bring your valid identity document to the seat.
